DOUBLE WALLED PAPER CUPS INSULATED HOT SQUAT

Available in 12/16/22 oz.

Finally an insulated double-duty paper cup brand-able in up to 4 colors that performs as good as it looks! Made of the highest quality FDA approved paper and manufactured in the USA.

Unlike traditional single wall cups our cups have a layer of air between the inner and outer walls that provide a sturdy comfortable grip with almost no transfer of heat between hand and contents.

Customers love the secure feel of a cup that never gets too hot.

Universal plastic dome (white or black) or flat lids for 12-22 oz. cups available and sold separately.
